

# 2015 Sacred Heart Debate Camp Halifax, August 17-21st

**S**ACRED HEART offers what we believe is the finest debate camp in Canada: the last four winners of the Hart House tournament and seven of the last eight winners of the McGill High School tournament attended this camp

We don't know whether that is because we produce the best debaters in Canada, or whether it is because the best debaters in Canada come to this camp.

Either way, you should come too – because it will give you a chance to debate against the best in the country and to be coached by the best in the country.

Once again, we have an outstanding faculty, chaired by three of the best coaches in Canada:

**JOHN ROBINSON** – His students have won the worlds individual public speaking competition more often than every other school in the world put together. He coaches at SJR and has since 1985

**JOSH JUDAH** – His students have won the junior high nationals more often than every other school put together. He is a past coach of the Canadian team to the Worlds, and a present coach at Halifax Grammar School

**BRIAN CASEY** – Brian coaches Rory Flynn and Mattea Roach. He coaches at Sacred Heart School and Fountain Academy and has coached debating since the late 1970's.

In addition, we have some of Canada's best debate alumni assisting and coaching

**CURRICULUM** - We have the finest debate instructional materials. Please visit our website and see for yourself. You are welcome to the materials whether or not you come to the camp.

**TEN ROUNDS** – In addition to the instruction, you will get ten rounds of debate, just as the 2015-2016 season is about to begin, against the best in Canada. Any rust should be left behind before you hit the floor in September. You should have the chance to run a number of cases which you can use in later competition.
